

Notice of 3rd China Solar Thermal Electricity Conference (First Round)

“China Solar Thermal Electricity Conference” is another brand conference created based on the 8 consecutive solar thermal electricity technology Sanya international forums by China National Solar Thermal Energy Alliance. It is positioned as a technological conference of solar thermal electricity with consideration to hot topics in development of the industry. The conference possesses insightful, professional, authoritative, influential and other characters.

As an annual grand technological gathering of solar thermal electricity, the 3rd China Solar Thermal Electricity Conference is to be held in Dunhuang City, Gansu Province, from Aug. 8, 2017 to Aug. 10, 2017.

I. Conference Organization:

Time: Aug. 8, 2017 - Aug. 10, 2017 (Tuesday to Thursday)

Place: Dunhuang City, Gansu Province

Theme: To promote commercializing development of solar thermal electricity with science and technology innovation

Host: China National Solar Thermal Energy Alliance

China Renewable Energy Society

Chinese Society of Engineering Thermophysics

Chinese Society of Electrical Engineering

Organizers: China National Solar Thermal Energy Alliance

Lanzhou Dacheng Technology Co., Ltd.

Institute of Electrical Engineering, Chinese Academy of Sciences

Supporters: Gansu Province Dunhuang Municipal People's Government

II. Conference Schedule (draft)

Date	Time	Schedule
Aug. 7	14:00-19:00	Registration
	15:00-17:00	Private session of private session of high-level leadership
	18:00-20:00	Dinner
Aug. 8	09:00-12:30	Opening ceremony and keynote speech
	12:30-13:30	Lunch
	14:00-17:30	Technical session
	Parallel Session1	System integration and design
	Parallel Session 2	CSP plant commissioning and operating
	18:30-20:00	Welcome dinner
Aug. 9	09:00-12:30	Technical session
	Parallel Session1	Solar concentration and heat collection
	Parallel Session 2	Thermal storage and heat exchange
	12:30-13:30	Lunch
	14:00-17:30	Technical session
	Parallel Session1	Test method and standard
	Parallel Session 2	Economy and incentives policy
	17:30-17:50	Closing ceremony of the Conference (handing over of flag of conference)
18:30-20:00	Dinner	
Aug. 10 (Visit)	09:30-12:00	<ul style="list-style-type: none">Lanzhou Dacheng 10MW Linear Fresnel ProjectShouhang Resources Saving 10MW Solar Tower Project Phase I
	12:00-13:30	Lunch
	13:30	Back to hotel, the Conference ends

III. Conference Report Solicitation

1. Topics of Conference: solar resource assessment, solar thermal electricity related key equipment and parts, solar concentration and heat collection, heat transfer and thermal storage system, overall system design, reliability and service life inspection, demonstration project progress, policy and market, solar fuel, etc.

2. Speech on the Conference shall be conducted in PPT. Representatives planning to give speech on the Conference should submit title and summary of the report to the Conference team before Jun. 15, and the whole report to the Conference before Jul. 17. Meanwhile, whether or not agree to include the report into electronic Conference materials (in PDF) and to be published to the public should be specially noted.

3. Reports of the Conference include keynote report, theme report, and poster. For reports demonstrated in poster, the Conference shall organize expert group for assessment, and the top three posters shall be recommended to *Acta Energiae Solaris Sinica* by the Conference.

4. In order to save energy, the Conference will not publish paper reports.

5. For speech texts and videos on commercialization promotion of the enterprises please refer to sponsor plans.

IV. Conference Registration

Conference registration fee includes fees for venue, food, materials, stationary, experts, and visit commuting. Except for special arrangement of the Conference, costs for commuting and hotel should be taken by all the representatives of the Conference. The Conference team is not responsible for booking of hotel.

Registration Fee of the 3rd China Solar Thermal Electricity Conference

Category of representative	Before Jun. 30	Remittance After Jun. 30 and On-site Payment
-----------------------------------	-----------------------	---

Alliance Member	RMB 3,300/person	RMB 3,800/person
Chinese Representative	RMB 4,000/person	RMB 4,500 /person
Chinese Student	RMB 1,800/person	RMB 2,300 /person
Foreign Representative	USD 600/person	USD 680 /person
Foreign Student	USD 280 /person	USD 320 /person

Note: 1) The registration fee shall not be returned if one is not able to present at the Conference once paid, but it can be transferred for the next Conference.
2) Student attendants shall provide copy of student card or other identity certification.

Bank information:

Account name: Zhongguancun Xinyuan Solar Thermal Technology Services Center

Account No.: 11050163990000000225

Bank Name and Address: China Construction Bank Corporation, Beijing Baofusi Sub-branch

V. Conference Contact

Contact: Fengli Du, 18611073193, e-mail: dfl0311@126.com

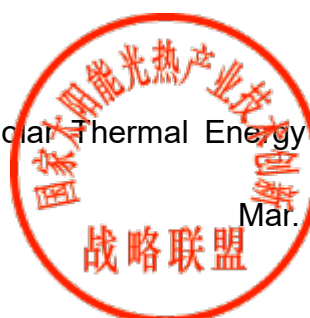

Websites: www.cnste.org, <http://www.systp.com.cn>

WeChat: nafste

Appendix: Registration Form of 3rd China CSP Conference

China National Solar Thermal Energy Alliance

Mar. 21, 2017

Appendix:

Registration Form of 3rd China CSP Conference

Company name			
Participants category	<input type="checkbox"/> alliance member <input type="checkbox"/> domestic participant <input type="checkbox"/> domestic student <input type="checkbox"/> overseas participant <input type="checkbox"/> overseas student <input type="checkbox"/> others		
Address and contact person			
Information of VAT invoice	Company name: Taxpayer's registration No.: Address and contact No.: Bank name and address: Bank account:		
Name	Title / position	Mobile phone number	Email

Please send this registration form to the organizing committee at dfi0311@126.com before Jul. 21.
