

3rd China Solar Thermal Electricity Conference

Sponsor Invitation Plan

“China Solar Thermal Electricity Conference” is another brand conference created based on the 8 consecutive solar thermal electricity technology Sanya international forums by China National Solar Thermal Energy Alliance. It is positioned as a technological conference of solar thermal electricity with consideration to hot topics in development of the industry. The conference possesses insightful, professional, authoritative, influential and other characters.

As an annual grand technological gathering of solar thermal electricity, the 3rd China Solar Thermal Electricity Conference is to be held in Dunhuang City, Gansu Province, from Aug. 8, 2017 to Aug. 10, 2017. Here we sincerely invite you to be our sponsors.
